FORT HAYS STATE UNIVERSITY

Physically, the University consists of more than 30 major structures with a total value of more than \$25 million. The campus proper consists of nearly 80 acres, while all of the University land totals more than 4,000 acres.

Academically, the University is fully accredited and is composed of three schools - Education, Arts and Sciences, and Nursing. Degrees are offered on the post-graduate, graduate, undergraduate and associate levels. The faculty numbers more than 275 and more than 22,000 persons are FHSU alumni.

Administratively, the University operates under a nine-member Board of Regents appointed by the governor of Kansas. The administrative structure consists of three major areas - academic affairs, administration and finance, and student affairs. Each is headed by a vice president.

Athletically, the University sponsors a full program of intercollegiate sports for men and women. Intercollegiate competition at FHSU is conducted in accordance with the rules and regulations of the Central States Intercollegiate Conference, National Association of Intercollegiate Athletics, and the Association of Intercollegiate Athletics for Women. In addition, students may participate in almost 45 intramural activities. The University's athletic facilities include a 7,000-seat stadium, a 7,000-seat arena, with a pro-turf one-tenth mile track for indoor competition, an indoor swimming pool, eight all-weather lighted tennis courts, and athletic training facilities.

Since its founding in 1902 as a state-supported institution, Fort Hays State University has developed through the years as a multi-purpose regional educational institution serving more than 60 counties and approximately 60,000 square miles.

The college opened its doors on June 23, 1902, with 34 students, two faculty members, and 19 courses. Today the University enrollment reaches nearly 5,400 students with its primary function of serving the needs of the people in Kansas, regardless of where they may later choose to live.

THE ADMINISTRATION

Since 1947, Dr. Gerald W. (Jerry) Tomanek has been a part of Fort Hays State University. In those 30 years, Dr. Tomanek has served in many capacities, from instructor of biology, grassland ecology and range management to the office of President.

Dr. Tomanek was named President of Fort Hays State University on Jan. 17, 1976, after serving as Acting President for seven months. The two-time graduate of Fort Hays State holds his doctorate in botany from the University of Nebraska.

A long-time educator and western Kansas native has almost 35-published works to his credit and has contributed chapters to three books. He has lectured to more than 30 national and international professional societies.

Honors are not new to the seventh president of FHSU. He has received the Fort Hays State Alumni Achievement Award, the Trail Boss Award from the Range Management Society, the Conservation Educator of the Year Award from the Kansas Wildlife Society, and the W. D. Philips Conservation Award, to name a few.

He was also the recipient of over ten grants from 1953 to 1975 dealing with the study of grassland ecology and range management.

Dr. Tomanek recognizes, in addition to academics, the need for a strong administration in an institution of higher learning.

Dr. Tomanek also knows how important athletics are to an institution.

"I am very proud of our total athletic program, and it is an integral part of our total university," said Dr. Tomanek. "Young men and women are very fortunate to participate in intercollegiate athletics and can learn some valuable lessons like friendship

and teamwork in a way that will enhance their horizons."

The President also feels the need for a strong conference and a strong national organization.

"The Central States Intercollegiate Conference has to be one of the best conferences in the country and the NAIA has a record that speaks for itself," added Dr. Tomanek. "Fort Hays

State has shown its total athletic strength in the past, too, by being ranked in the upper 20 nationally for a number of years."

Dr. Tomanek and his wife Ardis have three daughters, Walta and Sheila, both of whom are married, and Lisa, 14. The Tomaneks also have five grandchildren.

CHAIRMAN OF HPERA

Dr. Russell Bogue

Dr. Russell Bogue is entering his tenth year as Director of Health, Physical Education, Recreation and Athletics at Fort Hays State University.

Bogue joined the FHSU faculty in 1968 as an assistant professor of physical education. He is a 1949 graduate of Kearney State College with a bachelor's degree in physical education and recreation.

In 1955 he earned his master's degree from the University of Nebraska and then received his doctorate from the University of Wyoming in 1964.

The Blue Hill, Neb. native began his coaching career at Minden High School where he was head basketball and baseball coach and assistant football coach. In his three years at Minden, his basketball teams compiled a 62-4 record winning the state championship one season and finishing second in the state and district the other two seasons. He piloted Minden's baseball team to the state

runnerup spot two years and was district runnerup one year.

Following his stint at Minden, he moved on to Hastings (Neb.) College serving as head basketball and baseball coach and assistant football coach. Bogue guided Hastings' basketball team to two conference championships as well as participating twice in the NAIA Tournament. In 1956, he was named as the state college coach of the year. His baseball teams won conference crowns two years and took part in the NAIA Playoffs.

After three years at Hastings, Bogue returned to Minden for three years as the school's principal.

As an athlete, Bogue was a standout football, basketball and track performer at Shelton High School. He was a four-year basketball letterman at Kearney State. He also turned down three professional baseball contracts.

Bogue feels the idea of combining the HPER and Athletic departments at FHSU is a good one.

"I think it's a good workable relationship when you have people who are teaching and coaching," stated Bogue. "It's a trend which colleges of our size throughout the United States are beginning to follow."

He also believes that the administration and athletic program play big roles in the school's total athletic picture.

"The administration and athletics are working together to project a very positive attitude in athletics in the future at FHSU," added Bogue.

Bogue is married to the former Nancy Snyder of Trinidad, Colo. They have three sons.

DIRECTOR OF ATHLETICS

Phil Wilson

Phil Wilson enters his first year as Director of Athletics at Fort Hays State University after serving as assistant director and baseball coach at Kansas State University since 1972.

A native of Kirkland, Ill., Wilson holds his bachelor's and master's degrees from Kansas State.

The four-year baseball letterman at K-State had a career earned run average of 1.21 as a pitcher.

His Wildcat teams never finished out of the first division during his five years and his teams compiled a 139-110 record, the most victories in the school's history. The 1974 team finished with a 31-16 slate, while the 1976 Wildcats were 39-18.

As an assistant athletic director, Wilson was responsible for athletic ticket sales, athletic facilities, promotions, and the K-State "Steer-A-Year" Club.

On his coming to Fort Hays State University, Wilson feels that the warmth of the western Kansas people along with the strong feeling of possibilities of further positive progress of the programs at Fort Hays State, helped make his decision.

The new Tiger athletic director has some thoughts on the role of FHSU athletics.

"We are going to try to make all of our sports highly competitive and try to blend athletics even moreso into the total university picture," said the 30-year-old Wilson.

Wilson has some goals for the Tiger athletic program.

"Fort Hays State has excellent facilities and people and with these positive factors we will be expanding our range to, not only intercollegiate activities, but also interscholastic events," added Wilson. "Athletics is the window through which a large audience can see the University at one time and through which we can present our total university in a positive way."

Wilson is married to the former Venita Felton of Mt. Vernon, Ill. The Wilsons have two daughters, Tammy and Sulynn.

SPORTS INFORMATION DIRECTOR

Rick Covington is entering his first season as the Tiger SID. He comes to FHSU after serving as assistant sports information director at Morehead (Ky.) State University.

A two-time graduate of Morehead State, he holds a bachelor's degree in journalism and a master's degree in higher education.

The Georgetown, Ky. native holds membership in various professional organizations, and is a part-time faculty member in the HPER department.

He is married to the former Betty Wilson, also of Georgetown.

HEAD TRAINER

Bill Lyons begins his second year as head athletic trainer at Fort Hays State University. Lyons came to FHSU after serving two years as assistant trainer at the University of Arizona.

The 28-year-old Worland, Wyo., native holds a bachelor's degree from the University of Wyoming and received his master's degree from the University of Arizona in 1974.

As head trainer, he is responsible for the physical health of all FHSU athletes. In addition to supervising pre-game and post-game training procedures, he also conducts various rehabilitation programs for injured players. He is also an instructor in health, physical education and recreation.

Lyons is married to the former Jean Gerdes of Cheyenne, Wyo.

COACHES

HEAD COACH

BILL GILES

As he enters his sixth season at Fort Hays State University, Bill Giles sees his program having all-around balance.

"We have a large number of returning lettermen and we have some good recruits coming in to help us this season," said Giles.

Indeed Giles has some reason for optimism this season. The Tigers return 30 lettermen, including 16 starters from last season's CSIC tri-champions.

A 1955 graduate of Nebraska, Giles has been a college head coach for 10 seasons. He posted a 27-18 mark in five years at Chadron State College, before accepting the post at FHSU.

Prior to coaching at Chadron State, Giles coached high school football for four seasons at Bertrand, Sidney, and Norfolk, Neb., compiling a record of 25-11. He then went to Kearney State College as line coach and head baseball coach for four years before accepting the same position at New Mexico University. He spent one year at NMU, leaving there to take a position at Hiram Scott College for one season, before going to Chadron State.

A standout athlete in high school and college, Giles was a two-sport letterman at Nebraska. He was a member of the 1955 NU Orange Bowl team and won all-district and All-America honors as a first baseman in his senior season. That year he led the conference in batting with a .460 average and signed a professional baseball contract.

Giles is a member of Phi Epsilon Kappa, the national honorary physical education fraternity, the American Football Coaches Association, and numerous other professional organizations.

Giles' family includes his wife, Joan, and their four children, Kim, 22; Bill, 19, (a member of this season's Tiger squad); Doug, 16; and Kerri, 14.

ASSISTANT COACHES

Jerry Cullen Defensive Coordinator

Jerry Cullen is entering his sixth year on the FHSU coaching staff. He will serve as defensive coordinator and will also handle the offensive backs and linebackers.

The 34-year-old Pueblo, Colo., native was Bill Giles' first choice for his coaching staff at Fort Hays State. Cullen previously coached under Giles at Chadron State before coming to FHSU.

Before going to Chadron State, Cullen coached two seasons at Arvada West High School in Arvada, Colo., and two years at St. Procopius College in Illinois.

The former MVP at Northern Colorado, he received his bachelor's degree from UNC in 1965 and his master's degree in 1970 from Chadron State.

Cullen is married to the former Judy Lechtenberg of Butte, Neb. They have three daughters.

Ed McNeil Kickers

Ed McNeil begins his 21st season on the FHSU coaching staff. He will handle the kickers while also supervising equipment and facilities.

McNeil will also be in his 19th year as gymnastics coach at Fort Hays State. His teams have finished in the top ten in the NAIA the past five seasons.

The 1949 graduate of Kansas State came to FHSU in 1957 after coaching stints at the College of Emporia and the University of North Dakota.

The former honorable mention All-American at Kansas State earned his master's in 1950 from K-State and holds his educational specialist degree from FHSU.

Barry Allen Head Scout

Barry Allen returns for his sixth year on the FHSU coaching staff. He will serve as head scout for the Tigers this season.

Allen also handles the head coaching duties for the FHSU wrestling team.

The 36-year-old Lincoln, Ill., native received his bachelor's degree in 1963 from Bradley University and his master's degree from Northern Illinois in 1967.

The 1962 pre-season All-America pick, Allen captained the Bradley footballers in his senior season. He played defensive tackle and end, and offensive tackle and guard.

Allen is married to the former Karen Quayle of Kewanee, Ill. They have four children.

Lynn Lashbrook

Defensive backfield and receivers

Lynn Lashbrook begins his fifth season on the Tiger staff. He will serve as defensive backfield and receivers coach this year, after handling the head scouting duties the past four seasons.

The four-year FHSU letterman also serves as assistant track coach.

Lashbrook is a 1970 graduate of FHSU, and received his master's degree from Springfield College in 1971. He is presently pursuing his doctorate at the University of Northern Colorado. The Kansas City native is married to the former Marty Dewees, also of Kansas City. They have one child and are expecting another early this fall.

Brian Naber

Offensive and Defensive Line

Brian Naber is entering his first season on the Tiger staff. Naber comes to FHSU after coaching two years in Japan at the American School. He will handle the offensive and defensive lines for the Tigers.

The Waco, Neb., native was head coach at Minneapolis (Minn.), Lutheran High School prior to going to Japan. His Minneapolis team won the conference championship and ended the season with an 8-2 slate.

A 1971 graduate of Concordia College (Neb.), Naber received his master's degree from the University of Northern Colorado in 1972.

Naber is married to the former Janice Ann Fredrickson of St. Louis.

Voice of the Tigers

Bob Davis

For the tenth consecutive year, Bob Davis, sports director at KAYS Radio in Hays, will handle the play-by-play for the Fort Hays State University "Fighting Tiger" football season.

Davis will also host the "Bill Giles Show" before each FHSU broadcast and will conduct pre-game features and post-game wrap-ups.

Davis was awarded the Oscar Stauffer Award in 1974-75, and was chosen "Kansas Sportscaster of the Year" in 1975.

TIGERS

'77 OUTLOOK

Attempting to retain the Central States Intercollegiate Conference title which they shared with Kearney State and Missouri Southern last year, 29 returning lettermen, including 16 starters, highlight the 1977 edition of Fort Hays State University football.

Head Coach Bill Giles and his staff have room for optimism in 1977, as many positions which were questionable last season will be filled by experienced players who showed promise under pressure in 1976. However, the Tigers lost some key performers and those positions will be manned by inexperienced people.

Giles greets more than 35 freshmen on his squad which finished with a 5-1 conference slate last year.

The 11-game schedule includes six road contests, and four opening non-conference clashes before the seven-game conference campaign. Giles feels the non-conference games being first is a "tremendous advantage."

"The coaches will have a chance to see who performs best at key positions before the conference schedule begins, giving us an advantage," said the Tiger mentor.

This season will mark the second year of existence for the Central States Intercollegiate Conference and Giles sees it as a mad dash for the crown.

"This conference is evenly matched and it's going to be tough deciding the champion," added Giles. "This year promises to be a dog-fight all the way."

OFFENSE

FHSU held the top spot in passing offense last season and this season the passing attack should be of the same caliber.

"I think our passing game will be one of our major strengths with our quarterback and all our receivers returning," admits Giles.

Returning at quarterback will be Scott City senior Skip Numrich. Numrich, an Associated Press honorable mention Little All-American selection last season, threw for over 1500 yards and was involved in setting nine records. Mike Lybarger and Pete Kriwiell will provide depth.

Last season's leading scorer Dave Meter heads a group of receivers. Meter grabbed 42 passes in 1976, including eight for touchdowns, and is considered an All-American candidate. Joining Meter will be Terry Georgeson who caught 26 tosses and four scores last season. Otto Talley and Rick Bennett will add depth.

At tight end will be Ness City senior Chuck Durfee, while Larry Mostrom will back him up.

Joining Numrich in the backfield will be Tom Doll, Tiger leading rusher the past two seasons. Doll earned honorable mention All-American honors in 1975, and played much of last season injured. Tom Harmon and Scott Downing are the top prospects at the fullback spot.

The offensive line is a question mark for FHSU. Hit hard by graduation, Giles will have to go with inexperience at the tackle spots. John Barnard returns at the center position. Mike Carlson, Jeff Goad, and David King will battle for the guard spots. At tackle, transfer Mark Chandler and John East seem to be the top prospects.

DEFENSE

FHSU will try to improve defensively. The Tigers were last in total defense in the CSIC in 1976.

"I believe we will be better defensively this season," Giles said. "We gained some valuable experience last year and we saw some promising things in the spring."

All-American candidate Jim Homolka has been moved to noseguard, while Justin Marchel returns at one tackle spot. Rick Peters and Rod Larsen will battle for the other tackle position.

The linebacker outlook is bright, as several players fared well during spring drills. Greg Dutt returns at outside linebacker and Mike Carney was impressive in the spring. Other top contenders are Scott Christ and Ron Busse.

At inside linebacker, Fred Gillig returns and could be teamed with Kurt VanNorman. Giles will depend on his newcomers to aid the Tigers in this position.

The defensive secondary will have some familiar names in Robert Douglas and Blond Farmer. Newcomers Terry Pasby, and Gray Loughhead, along with returnee Bren DeBusk are competing for the other two starting spots.

Giles feels this season will show a more balanced Tiger team.

"We should be better at both phases of the game this season," says Giles, as he enters his sixth season at the Tiger helm. "But, we still have to play good, solid football in order to have a winning season."

Sept. 17	Westminster	Home
Sept. 24	New Mexico Highlands	Home
Oct. 1	Southern Utah	Away
Oct. 8	Western State	Home
Oct. 15	Mesa College	Away
Oct. 22	Southern Colorado	Home
Oct. 29	Colo. School of Mines	Away
Nov. 5	Western New Mexico	Home
Nov. 12	Fort Lewis	Away

OUTLOOK

With the appointment of new Head Coach Jim Paronto, the Adams State College football team will be primed to get back into its accustomed position of being a contender in the RMAC.

Coming off a disappointing 3-6 season last year, the team will build on fifteen returning lettermen and a strong contingency of newcomers. Of special note are the tri-captains for 1977: nose guard Herb Stanley, who earned second team All-RMAC honors; tight end Anthony Smith, who was all-conference, all-district, and second team All-American; and offensive guard Mike McDowell, a strong, experienced 6-2, 225-pound senior.

Loren Ulrich, who started seven games last year, will be the probable starting quarterback; however, some newcomers will be pushing hard for the position.

Quickness will be the outstanding feature in Ray Henson, a split end; Dave Freeman, a defensive back; and Ivory Joe Hunt, a defensive back who was a track standout in the sprints.

Game 2

Northwestern Oklahoma

Sept. 10-At Alva, Okla., 8 p.m.

GENERAL INFORMATION

LOCATION: Alva, Okla. 73717
 ENROLLMENT: 1,900
 COACH: Glen Wolfe
 RECORD AT NORTHWESTERN OKLAHOMA: 5-15-1 (2 years)

Oct. 15	Panhandle State	Away
Oct. 22	Southeastern Oklahoma	Home
Oct. 29	Northeastern Oklahoma	Away
Nov. 5	Southwestern Oklahoma	Home
Nov. 12	East Central Oklahoma	Away

OUTLOOK

With twenty-one returning lettermen, the 1977 Rangers will have more experience and should be a better ball club. Five of the returnees won conference or NAIA District honors in 1976. Last year the Rangers lost several close ball games and experience should make a difference in 1977.

To go along with the returning experience, Head Coach Glen Wolfe believes he had a highly successful recruiting season to bolster and compete with the returnees.

Several key spots will be up for grabs when the '77 drills open and barring early season injuries, the Rangers should be in the thick of the conference and district races.

A rugged schedule will test the Rangers early. Abilene Christian University, always a power, will be the opponents in the season opener at Abilene, Tex.

Game 3

Southern Colorado

Sept. 17-At Pueblo, Colo., 8:30 p.m.

Oct. 15	New Mexico Highlands	Home
Oct. 22	Adams State	Away
Oct. 29	Western State	Home
Nov. 5	Southern Utah	Home
Nov. 12	Westminister	Away
Nov. 19	Mesa College	Away

OUTLOOK

Coming off its first winning season since 1972, the University of Southern Colorado football team should fare very well during the 1977 season.

The Indians' 6-4-1 record was the top Tribe effort since USC registered a 6-4 mark in 1972. Another bright spot was the Indian finish in conference action — third behind NAIA fifth-ranked Western state and 15th-ranked Fort Lewis. The Indians dropped conference games to them while winning five in their first year in the Rocky Mountain Athletic Conference.

Leading the list of returnees is All-American candidate Archie Neil. The 6-4, 220-pounder from Addison, Ill., is a senior this fall and was an all-conference pick last autumn. Neil blocked two punts, recorded seven quarterback sacks, recovered three fumbles and was in on 66 tackles to rank sixth on the squad.

On offense, the Tribe will be led by sophomore running back David Henry who was the Indians' second-leading rusher with 337 yards, three touchdowns and a 4.4 per carry average.

Oct. 15	Southeast Missouri	Away
Oct. 22	Central Missouri	Home
Oct. 29	Missouri-Rolla	Away
Nov. 5	Lincoln	Home
Nov. 12	Northeast Missouri	Home

OUTLOOK

Northwest Missouri State University football teams have been the best overall in the Missouri Intercollegiate Athletic Association in the past six years (40-19, .678). They've won two titles (an outright one in 1974 and a co-championship in 1972) and, with the exception of the first of those six seasons, have been in contention for all the honors each time out. There's no reason to think that contender status will change in 1977 as Head Coach Jim Redd, following an 8-2 debut, begins his second season.

Eight regulars return in the persons of tight end tandem Dave Scott and Steve Tangeman, tackle Mike Renfrow, guards Rex Groom and Mark Bowers, quarterback Kirk Mathews, running back Dan Montgomery and split end Brad Boyer.

Trying to aid Montgomery with the ball carrying chores will be junior Ben Birchfield, junior Dennis Hope, sophomore Pat Ryan and a couple of returnees from 1975, junior Claude Arnick and senior Jim Solo.

Oct. 15	Wayne State	Home
Oct. 22	Washburn University	Home
Oct. 29	Emporia	Away
Nov. 5	Missouri Southern	Home
Nov. 12	Kearney State	Away

OUTLOOK

The Griffons, 4-5 a year ago, return 15 starters out of 28 returning lettermen. However, graduation claimed 14 seniors including both running backs, all pass receivers, and three-fourths of the defensive backfield.

On offense, the Griffons will be operating with two new running backs. Jay Randall, senior captain from St. Joseph, has been moved to running back after a year at slotback. Jim Barber, junior from Gower, Mo., was a part-time starter as a sophomore finishing the season with a per carry average of 4.2 and two TD's.

Bill Johnson will be directing the offensive unit from his quarterback spot. The senior from North Little Rock, Ark., had a rocky start as a junior.

The offensive line will be anchored by the giant junior Mark Storey. Mark, at 6-6, 272, will be back at left tackle. The only senior along the interior five of the offensive line will be right guard Scott Graham.

Game 6

THE HORNET SCHEDULE

Sept. 10	Southwest Missouri	Home
Sept. 24	Central Missouri	Home
Oct. 1	Washburn University	Away
Oct. 8	FORT HAYS STATE	Away
Oct. 15	Missouri Southern	Home
Oct. 22	Kearney State	Away
Oct. 29	Missouri Western	Home
Nov. 5	Pittsburg	Home
Nov. 12	Wayne State	Away

OUTLOOK

Head Coach Dave Hoover hopes to see the 1977 season end with a healthy quarterback corps. His concern is reflected in the fact that for the past two seasons both the numbers one and two quarterbacks have been sidelined before mid-season and in 1976 both were on the injured list before the end of the first game. With the hope for solid quarterbacking and the return of thirty-one lettermen, there is strong belief that the Hornets will make a strong rebound out of the conference cellar.

The offense will be the top concern in the Hornet camp and with the return of the number one rusher, sophomore Greg Zickefoose, the number one passer, sophomore Kyle Sanders, and the number one receiver, junior Mick Easter, and the strong showing of the offensive line during spring practice, it appears that there will be a marked improvement in scoring potential for 1977.

Game 7

Pittsburg State

Oct. 15-At Pittsburg, 2 p.m.

GENERAL INFORMATION

LOCATION: Pittsburg, Ks. 66762
 ENROLLMENT: 5,000
 COACH: Ron Randleman
 RECORD AT PITTSBURG: W-3, L-5, T-1 (1 year)
 ASSISTANT COACHES: Bruce Polen, Bill Samuels

 SERIES RECORD: PSU-25, FHSU-16, T-7
 SPORTS INFORMATION DIRECTORS: Tim Posch and Bill Brady
 Phone: Office AC 316-231-7000, ext. 309

THE GORILLA SCHEDULE

Sept. 10	Northwest Missouri	Away
Sept. 17	Southwest Missouri	Away
Sept. 24	Missouri-Rolla	Home
Oct. 1	Kearney State	Away
Oct. 8	Missouri Western	Home
Oct. 15	FORT HAYS STATE	Home
Oct. 22	Wayne State	Away
Oct. 29	Washburn University	Home
Nov. 5	Emporia	Away
Nov. 12	Missouri Southern	Away

OUTLOOK

The Gorillas are in a rebuilding year, with the loss of four top seniors, including All-American strong safety Steve Simmons.

Second year head coach Ron Randleman had a successful recruiting year and will have 22 lettermen returning for the 1977 season. Inexperience will tell the tale at many key positions.

PSU will attempt to improve their passing attack and their kicking game is subject to question, but the offensive line seems to be a strong point.

Four transfers and an all-state running back are the top prospects for the Gorillas this season. Leading receiver Pete Peltzer and defensive back Rudy Poleclopek will provide leadership.

Game 8

Missouri Southern

Oct. 22-At Hays, 7:30 p.m.
(Senior Day)

GENERAL INFORMATION

LOCATION: Joplin, Mo. 64801
 ENROLLMENT: 3,800

THE LION SCHEDULE

Sept. 3	Benedictine	Home
Sept. 10	Central Missouri	Home
Sept. 17	Missouri-Rolla	Away
Oct. 1	Wayne State	Away
Oct. 8	Washburn University	Home
Oct. 15	Emporia State	Away
Oct. 22	FORT HAYS STATE	Away
Oct. 29	Kearney State	Home
Nov. 5	Missouri Western	Away
Nov. 12	Pittsburg	Home

OUTLOOK

"You must have a quality quarterback to develop a quality football team." This is the attitude of Coach Jim Frazier and offensive coordinator Don Gaddis. In 1977, senior Rusty Shelley is a household word in the Central States Intercollegiate Conference. The All-Conference first team selection at quarterback threw 1,579 yards and 15 touchdowns in leading the Lions to an 8-2 record and a tie for the conference championship in 1976. The 6-2, 200-pound Joplin, Mo. native completed 50 per cent of 225 attempts in breaking the school record in touchdown passes.

The passing game looks solid with returnees Vincent Featherson, Bob Richmond, and junior college transfer, Brad Bigando. All offer breakaway speed with proven quality pass receiving abilities. Elsewhere offensively, the Lions have a chance to be as solid as they were a year ago.

Game 9

Wayne State

Oct. 29-At Wayne, Neb., 1:30 p.m.

GENERAL INFORMATION

LOCATION: Wayne, Neb. 68787
 ENROLLMENT: 2,100

Sept. 17	Dakota State	Away
Sept. 24	Midland Lutheran	Home
Oct. 1	Missouri Southern	Home
Oct. 8	Kearney State	Away
Oct. 15	Missouri Western	Away
Oct. 22	Pittsburg	Home
Oct. 29	FORT HAYS STATE	Home
Nov. 5	Washburn	Away
Nov. 12	Emporia	Home

OUTLOOK

Lettermen will man all but one or two positions on Wayne State's 1977 football team. Even so, Coach Del Stoltenberg views Wildcat prospects as difficult as Wayne enters its first full season of Central States Intercollegiate Conference football. The schedule looks at least as demanding as the 1976 campaign which dealt Wayne a 3-8 record.

In Wayne's "I" offense, the critical tailback spot likely belongs to sophomore Bob Barry, last year's No. 1 rusher. He is the only returning tailback. Sophomores Marty Hansen and Mark Johnson are top contenders at wingback, but neither logged much time in 1976. The fullback job is open.

The offensive line returns nearly intact — the one big gap at split end, where Maurie Mintken is gone after four years of starting every game and breaking all Wayne pass receiving records.

The defense lost only three regular starters and is pretty well fortified with lettered veterans, but the team lacks depth here.

Game 10

Kearney State

Nov. 5-At Hays, 7:30 p.m.

(Scout Day)

GENERAL INFORMATION

LOCATION: Kearney, Neb. 68847

OUTLOOK

A repeat of last year's football season — conference champion in two conferences, a 9-1 record, two All-America players, a 3,000 yard career rusher — is the goal of the Kearney State Antelopes. Yet to be realistic, Head Coach Claire Boroff realizes that 1977 will be tougher than 1976 was.

The Antelopes will compete in one conference only — the Central States Intercollegiate. Peru asked not to be scheduled, so the Nebraska College Conference is history in football. The antelopes play a 10-game schedule against CSIC foes.

Although tailback Dave Burke and Kodak All-American Mitch Johnson have graduated, Boroff is very optimistic about this year's prospects. Twenty senior lettermen lead a returning group of 70 experienced players. A better than average freshman squad has been recruited and spring drills were encouraging.

OUTLOOK

Larry Elliot enters his fourth year at the Topeka school and things look bright after a 6-4 record last season.

The Ichabods lost six seniors, but almost all of the key personnel are back for 1977.

Senior quarterback Mike Grogan, Washburn's all-time leading passer is back, as is fullback Brent Cripps.

The big question this year seems to be overall backfield speed, but Coach Elliot hopes to remedy the situation early.

The 1977 schedule is tougher than any in recent years for the Ichabods. They open the season with Langston University and the third game of the season brings Division I opponent East Texas State.

Central States Intercollegiate Conference

The Central States Intercollegiate Conference became a reality on July 1, 1976, replacing the Great Plains Athletic Conference.

Five members of the GPAC — Emporia State University, Pittsburg State University, Washburn University, Kearney State College, and Fort Hays State University — withdrew and were joined by Missouri Western College, Missouri Southern College, and Wayne State College in forming the original membership for the CSIC.

The University of Northern Colorado had earlier announced plans to withdraw from the GPAC. The University of Southern Colorado was left as the lone member and decided to join the Rocky Mountain Athletic Conference.

The CSIC is governed by a constitution and bylaws and operating rules for various conference sponsored events, including those for women.

Eligibility rules for the conference are basically those of the National Association of Intercollegiate Athletics (NAIA). The superior authority of the CSIC is a council, composed of the presidents of the member institutions.

Dr. Norris A. Patterson serves as commissioner of the CSIC. Vic Schultze is the conference sports information director. The conference maintains offices in Liberty, Mo.

The Stadium

Lewis Field Stadium, the 7,000-seat home of the Tigers, was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and named in honor of William Alexander Lewis, president from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

The stadium turf is Bermuda grass, the same strong-rooted plant used in golf course greens. The first frost of the fall usually turns the turf to brown.

Dressing rooms, concession areas, restrooms, athletic booster club facilities, athletic training facilities, and equipment storage rooms are located under the grandstands.

Fans are admitted through two main gates located on both the east and west sides, with four ticket windows in service for the game.

Atop both the east and west grandstands are press box facilities which provide seating for writers and statisticians, three radio stations, scouts, and three film crews.

An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

TIGER BOOSTER PROGRAMS

TIGER CLUB

The purpose of the Tiger Club is to promote and financially aid Fort Hays State University's Athletic Department with its varsity sports program. Organized in the fall of 1969, the Tiger Club has grown in membership from the original 10 persons to approximately 200 men at the present time.

Under the leadership of its first president, J. D. Williams and succeeding presidents Bill Rymph, Homer Schwarz, Harley Rhoads, Howard Teater, Dr. Larry Good, Duane Steffen, and Darryl Apel the club has grown steadily and accelerated its program for the benefit of the Athletic Department.

TIGER BEEF CLUB

Tiger Beef Club membership is awarded to interested boosters who contribute a steer or cash (\$200 or more which is used to buy a steer) each year.

After the Athletic Department markets the stock and expenses are paid, the profits of the Tiger Beef Club go directly into the department's budget.

All Tiger Beef Club members receive the athletic newsletter may have their names included in the football and basketball publications and receive reserved parking privileges at all home football and basketball games.

BLACK AND GOLD CLUB

The Black and Gold Club is made up of alumni and friends of the college throughout the nation who have a special interest in furthering intercollegiate athletics at Fort Hays State University.

These individuals recognize the need for additional funds to aid the Athletic Department and are supporting the program by gifts of \$1 to \$1,000 or more per year.

All contributors receive a periodic athletic newsletter while persons who give \$50 or more each year have their names included in the football and basketball publications. Persons who contribute \$200 or more per year also have reserved parking privileges at home football and basketball games.
